

Images of our 2019 Christmas Celebration in Keene – 12/13-15/2019

Christmas is the world-wide celebration of the birth of Jesus Christ. We are fortunate that our four families can get together during this season.

Our family members gathered at our condo in Keene, NH, during the weekend of December 13-15. The timing does work out nicely for all our families and it was an enjoyable time for all.

At the right, our granddaughter, Evie [the Astronaut], greets all of us to give thanks and enjoy the celebrations.
