

Images of our 2017 September Visit at Bear Spring Camps, Belgrade Lakes, Maine

This is a photo album of our Fall stay at Bear Spring Camps, Belgrade, Maine. Our thirteen Fall holiday brought 13 days of excellent kayaking and five days of really nice swimming in clear waters. This album includes various photos of us kayaking and doing this and that while absorbing the wildlife and tranquility. A lot of activities over the 14 days resulted in a photo or two.

Note that the wildlife, modulo the woodpecker, and spiderwebs, were taken from our moving kayaks. The photo opportunities were often and excellent as was the dining room food and our accommodations.
