

## Images of our 2019 September Visit at Bear Spring Camps, Belgrade Lakes, Maine

This September we journeyed to the Bear Spring Camps in Belgrade, Maine. This annual holiday brought day after day of excellent kayaking and fishing with a tad of a northwind chill in the morning, one wild windy day, a great variety of delicious meals and nice continued friendships. This album includes various photos of us kayaking and doing this and that while absorbing the wildlife and tranquility. Also included are photos of a day by the Rockland harbour.

Note the wildlife from photos captured from our moving kayaks. The photo opportunities were often and excellent as was the dining room food and our accommodations.
