

Images of our 2020 September Visit at Bear Spring Camps, Belgrade Lakes, Maine

When September rolls around, we journeyed to the Bear Spring Camps in Belgrade, Maine. This annual holiday brought excellent kayaking and a windy northish wind that decided to join us for a long time. While the Pandemic resulted in the closing of the dining room, we enjoyed setting our own meal times and the delicious lobster and chicken rolls the owner, Peg, provided. This album includes various photos of us kayaking focusing on the Great Meadow Stream due to the windy conditions, enjoying the [sounds](#) of the falling rain, and doing this and that while absorbing the wildlife and tranquility.

The photo opportunities were often and excellent as usual and we are looking forward to returning next Fall.
