

Images of Greyson Playing Soccer- September 28, 2019

On Saturday, the 28th, we traveled down to Pepperell, MA, to see our grandson Greyson play another game of organized soccer. Grey is in the 5th grade and in a 5-6 grade Stow team competing with various area town teams in the Nashoba United Soccer program serving the youth of the Nashoba Regional School District. On a beautiful September day, Grey's team won 5-2 under clear skies and cool weather. Congratulations on the successful soccer season and to Grey for his powerful performances. It sure does make his grandparents proud!
