Images of the Grandsons in the World of Soccer- October 2017

On Saturday, the 14th, we traveled to Dave & Michelle's to watch our grandsons in the world of soccer.

Silas has just entered kindergarten and has joined the transition team in the Nashoba Valley Youth Soccer League. In his first year in soccer, he participated in a morning practice and scrimmage match with fellow classmates on an overcast morning in Stow, MA.

Greyson is in third grade and plays for the NVYSL B34F team (boys, 3-4th grade). Dave substituted as the day's coach and kept the boys moving very nicely in today's game with the Hudson team.

With sharp eyes, you can guess who is who...
