

Grandson Greyson's First Band & Chorus Concert – February 5, 2019

Our oldest grandson, Greyson Dean Faux, joined the 4th grade chorus and band this fall . After considering his options, Grey chose the saxophone as his first choice.

On February 5th, Grey along with the other 66 4th graders gave their first public performance at the Center School Winter Concert in Stow, MA. Grey joined with the other 10 sax players and gave the packed auditorium a rousing evening with a variety of songs. Well done, Grey!
